

**High Performance Consulting Services**

# Capability Statement

**WORK WITH EXCELLENCE. WORK WITH US.**

## Company Profile

Gold Wave, Inc. is a woman-owned & Service-Disabled Veteran-Owned Small Business (SDVOSB) founded in 2016.

Our mission is to deliver **proactive & cost-effective professional management & consulting services** for **engineering** and **construction** projects across **public, utility, and private** sectors. By developing objectives and scope to projecting budgets and schedules, through project management overseeing design and construction, Gold Wave brings a **fresh, holistic perspective** paired with a **proven track record** of **skills and experience**.

## Core Competencies

- **Environmental Consulting & Engineering**  
Site Investigation, cleanup, regulatory & permitting, emergency response, safety & health regulations.
- **Construction Management & Contracting Services**  
General Contracting, Preconstruction Activities, Field Services and Support.
- **Project Controls and Management Consulting**  
Scheduling, Performance Indicators, and Program Dashboards.
- **Program/Project Management for Engineering Services/Technologies**  
Civil Engineering, Electrical Utility, and oil & gas Infrastructure.
- **Engineering & Design**
- **System Integration and Controls**

## Differentiators

- Experience Managing Interdisciplinary Teams on Complex Projects
- 80% of Projects from Repeat Clients
- Design-Build Capabilities and Experience
- Zero Safety Incidents since Incorporation in 2016 – EMR of 1.0
- Central U.S. Location to Serve Central and Southern States

## Global Impact

Environmental, Social, and Governance policy is at the core of Gold Wave’s business model. Sustainability is part of how Gold Wave does business. Along with Safety, ESG is at the heart of Gold Wave, and all of our business practices are built upon this firm and reinforcing foundation.
